

Co-funded by the
Erasmus+ Programme
of the European Union

An innovative and open learning
resource for professionals of the
furniture industry to expand their
knowledge and provide added value
for the Green Public Procurement

PROJECT INFORMATION:

Website: www.gpp-furniture.eu
Duration: 24 months (2016-2018)

Grant Programme: Erasmus+ /KA2 Cooperation for innovation and the exchange of good practices/ Strategic Partnerships for vocational education and training

Project objective:

GPP Furniture aims at improving the skills and competences of the professionals from the furniture industry in Green Public procurement (GPP) through development of online learning platform.

Target groups: professionals from furniture industry, SMEs, Universities and VET providers, public authorities

Main activities:

- Identification of the existing knowledge gap in the furniture and woodworking industry regarding the Green Public Procurement
- Definition of the training paths and learning content of the learning platform
- Specifications, design and organization of training units and training paths
- Training course materials and training modules development
- E-learning platform development
- Pilot test of the online platform by companies operating in furniture sector
- Implementation of activities related to the dissemination of the project results:
 - publications in specialized media,
 - organizing info days and events,
 - presentation of the project in different social media:
